

JUPITER LANDING Bonus Material

When you purchase the film JUPITER LANDING you get:

- √ A “making of” documentary that was shot on location during the filming of JUPITER LANDING
- √ A hilarious outtake reel
- √ A two-minute trailer
- √ A professional movie poster (and all accompanying key art)
- √ A movie website (www.jupiterlandingthemovie.com)
- √ *IMDB.com* and *FilmFinders.com* internet listings
- √ Over 200 professional production and publicity stills shot by Jill Orshel (one of the still photographers for the Sundance Institute)
- √ A production team dedicated to promotion and marketing
- √ A film where all rights have been cleared (script, copyrights, music, actors, art, products, etc.)
- √ Two Sony HD-cam digital masters, plus dubs in digi-beta, beta-sp, DV-cam, DVD, and VHS
- √ A future TV series: The story and characters were written to evolve into a weekly TV series
- √ A director who is a professional stand-up comic (meaning someone who can speak intelligently and charm crowds at film festivals)
- √ A GREAT MOVIE
